

# CONSERVATION WALKS

These permissive bridledways are provided by kind permission of the farmer with help from the Countryside Stewardship Scheme. These routes provide tracks for local horses and walkers to avoid the busy narrow lanes. They also give circular routes around the fields to see the woodland and views over the Devils Punch Bowl. Conservation work is being carried out in the woodlands and along field boundaries to restore and replant hedgerows. This is a commercial farm, please keep dogs on a lead and keep to marked routes.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2010. For more information contact DEFRA: 020 7238 6907 (Office hours).
